D01-D02 ran 2:00-6:00 PM. D25-D26 are TA-led throughout; Tarek is absent on D26.
26 days × 4 hours = 104 scheduled hours, including breaks. The optional sessions on 8 and 20 October (4:00-6:00 PM) are extra.
Assignment dates were updated on 18 October 2026 (each starts when its module ends, with a full week); the student schedule has them. The D26 mock will follow the provider's confirmed timing and break rules.
